U.S. Citizen Service Hours in Sylhet
July 27, 2015

American Citizen Services (ACS) is planning a trip to Sylhet to provide various consular services. Please see below for detailed schedule.

During our trip to Sylhet, we will be accepting passport applications (including renewals, adding extra pages, etc.) and Consular Report of Birth Abroad (CRBA) applications, and conducting notarial services on Sunday, August, 2015 in the evening. Please note that we will only be accepting the passport and CRBA cases, not approving them. Since there will be no access to our consular databases the Consular Officer will review the documents and do the proper system checks upon return to our office in Dhaka. We will notify subjects of the final decision. If you plan to submit information for a pending (previously submitted) case please send us an email by Aug 4, 2015 with the name and date of birth of the case subject.
